Applying for a Ugandan E- Visa

Applying for the visa is an easy process, however, needs to be filled out correctly to avoid any complications. Please ensure you follow the steps below when applying for your visa.

You can apply from 28th May 2018

What you need before you start:

- An image or PDF copy of your Yellow fever certificate (No larger than 250KB)
- An image or PDF copy of your passport (No larger than 250KB)
- An image or PDF copy of an individual passport photo (No larger than 250KB)

Step 1

You need to apply for a Visa- Uganda Ordinary Tourist Visa- Single Entry

Step 1 of 4: **Select type of application**

Required fields are indicated by a red asterisk *

Visa or permit type *
Visa

Category *
Uganda Ordinary/Tourist Visa

Subcategory *
Single Entry

Step 2- Filling out your information

Passport Data section-

- Select Ordinary Passport

Other data
- Contact in Uganda- LightForce International 447535678177 (sometimes it doesn't accept this so don't have a space between the words and number
- Purpose of visit- TOURISM
- Date of arrival- will be the date you land in Uganda
- Point of entry where you want the visa personalised- ENTEBBE
- Duration of stay requested- count the exact amount of days you are on Ugandan soil. You must make sure this covers the day you fly out as well

Step 3- Adding your documents:

- It can be easier to copy and paste the image into a word document and convert it into a small size PDF
- Or you can scan the documents in to your computer
- Uploading images (unless you know how to re-size them) is always tricky as the file sizes are too big

Step 4- Payment

- Payment is $50 USD, you can use credit or debit card.
- Sometimes payment option comes at the end of the form or it can appear after it has been approved

Tracking your application

- You can check the status of your application using the reference number you are given after you have submitted your visa. Go to Applications- Manage Applications on the website
- The application can take anywhere between 1 hour and 3 weeks! This is Uganda!
- Once you receive your visa, print it out and keep it safe. You will need this as well as your yellow fever certificate, passport sized photo and passport to get through the border.
