Step 3- Adding your documents:

- It can be easier to copy and paste the image into a word document and convert it into a small size PDF
- Or you can scan the documents in to your computer
- Uploading images (unless you know how to re-size them) is always tricky as the file sizes are too big

Step 4- Payment

- Payment is $100 USD, you can use credit or debit card.
- Sometimes payment option comes at the end of the form or it can appear after it has been approved

Tracking your application

- You can check the status of your application using the reference number you are given after you have submitted your visa. Go to Applications- Manage Applications on the website
- The application can take anywhere between 1 hour and 3 weeks! This is Uganda!
- Once you receive your visa, print it out and keep it safe. You will need this as well as your yellow fever certificate, passport sized photo and passport to get through the border.
